Program Procedures for Inclement Weather

School Closings

If school is closed due to inclement weather or other emergencies, the program will NOT operate.

Delayed Openings

When the opening of school is delayed, the opening of the program will be delayed by the same amount of time that the opening of school is delayed. Example: if school is delayed 2 hours, instead of opening at 6:30 AM, we will open at 8:30 AM. In the event of a delayed opening no child is allowed in the program until the delayed opening time.

If school is released early due to inclement weather or other emergencies, the program will NOT operate.

If after school activities are cancelled due to inclement weather or other emergencies, our PM program will not operate.

Tuition for the time the program is closed will be credited towards your next week's tuition.

If it becomes necessary to close the program after the program is already in session due to inclement weather or other emergencies, parents will be notified individually by members of the staff. Tuition for these days will not be pro-rated.

Outside Play

We will go outside every afternoon when the weather allows. Children are welcome to bring snow clothes to PSACC everyday during the winter months when we have snow.
