## **PELHAM SCHOOL AGE CHILD CARE**

### **PROGRAM HISTORY**

Pelham School Age Child Care was established in 1989 as H.E.L.P (Health Education League of Pelham) and later became Pelham School Age Child Care. P.S.A.C.C is a state approved private, non-profit organization that complies with all childcare licensing standards as required by the NH Division of Public Health Services. Pelham School Age Child Care operates out of Pelham Elementary, but remains a separate private agency, and is not responsible for any claims arising from the conditions of the property or the actions of any employee of Pelham Elementary School or the Pelham School District.

### **PHILOSOPHY STATEMENT**

Pelham School Age Child Care (P.S.A.C.C.) provides a safe, affordable place for children to go when parents are working or otherwise unavailable. A variety of developmentally appropriate activities are provided to include a balance of structured and unstructured time as well as staff-directed and child-initiated experiences. Tuition is due on the first day of your child's attendance for the week. Tuition is late if not received by the close of the program on Wednesday of that week. A late charge of \$10.00 will be applied to your account weekly until the missed payment is received. If payment has not been received for two (2) weeks, your child will be withdrawn from the program. The child's spot in the program will then be given to a child on the wait list. Readmission is subject to space availability within the program. If space is not available at that time, your name will be added to the wait list. If a family decides to re-enroll the child in the program, then all tuition, late charges and applicable fees must be paid in full before the child can re-

enter the program.

Every effort is made to keep fees affordable. Tuition reductions are given for more than one sibling enrolled in the program. A current rate sheet will be provided at time of enrollment.

Parents may pick up their child at any time prior to the close of the program. The fee, however, remains the same.

Payment may be made by check, money order, ACH or though ProCare

, cash will not be accepted. Check or money order must be made out to Pelham School Age Child Care or P.S.A.C.C. Please write in the memo space:

### **OVERTIME CHARGES**

The daily fee covers the cost of your child's care until closing time. Parents whose child remains past closing time (6:00 PM) will be charged an overtime fee as follows:

- Each additional 1 minute = \$5.00

Any inappropriate behavior by a parent upon receipt of a late slip will not be tolerated and shall result in the immediate termination of the children from the program.

### **TUITION ASSISTANCE**

Tuition assistance is available for those who qualify. You may contact the New Hampshire Department of Health and Human Services for more information on the Child Care Scholarship.

Families are responsible for paying any tuition and/or any other charges that are not covered by the financial assistance (ex. registration fees, activity fees, late pick up fees, late payment fees etc.) and will be responsible for any tuition and/or charges that accrue prior to receiving the financial assistance.

## **COLLECTION OF DELINQUENT ACCOUNTS**

The Program Director will make several attempts to collect all past due balances. Failure to submit payment in full will result in your account being turned over to an outside agency or attorney for collection. If a delinquent account is sent to an outside agency or attorney your family will be unable to utilize the programs services in the future. In addition to collecting the overdue balance, all costs of P.S.A.C.C. which are incurred during the collection process will be the responsibility of the delinquent party such costs include but are not limited to: collection agency fees, attorney fees, court costs, sheriff's fees. Finally, any claim that goes to collection shall be subject to interest charges of 18% per annum from the date the delinquency commenced and until payment in full plus all costs is received.

## **SERVICES OUTSIDE OF PROGRAM HOURS**

Pelham School Age Child Care is not responsible for, nor shall it incur any liability with respect to any private arrangements made between staff and families for services outside of the program and its hours of operation.

Any private arrangements, employment, contracts and/or agreements between parent/legal guardian and staff of this center (e.g., babysitting, home child care, private transportation arrangements, etc.) outside of the Pelham School Age Child Care program is considered an individual endeavor and private matter, not approved, endorsed by, nor connected with Pelham School Age Child Care. Parents/legal guardians and staff agree to hold Pelham School Age Child Care harmless in conjunction with any such private arrangements.

## **BREAKFAST/LUNCH/SNACK**

The program will not provide breakfast and snack. Children are allowed to bring in breakfast/snack to eat during designated meal time.

Unless otherwise is specified, during full days, parents/guardians must provide a nutritious bagged lunch, including a beverage for their child. No glass bottles or microwavable food. The program does not provide refrigeration, please pack your child's lunch accordingly.

On special occasions/holidays the program may provide a special treat. Options to meet all dietary restrictions will be provided on these days.

If your child has any special instructions or allergies, please notify the Director or Site Supervisor.

## **PERSONAL ITEMS**

### **Children are not allowed to bring personal items from home for use at P.S.A.C.C.**

- Appropriate sporting equipment is available for use at each program; please leave all personal sporting goods at home.
- Children are not allowed to bring in personal items from home, including but not limited to toys, any electronic devices and cellular phone. All valuables should be left at home.
- Children are not allowed to bring in skateboards or roller sneakers/blades. Bikes, scooters and/or rollerblades (if worn with the proper safety equipment) will be allowed on the designated days during our full day program.

Not having these items in the program eliminates personal items being broken or taken and problems of misbehavior are minimized. Should one of these items be brought to the program, it will be left at the front desk until a parent or guardian picks it up.

## **APPROPRIATE CLOTHING/SHOES**

All children will participate in outdoor play. Please be sure your child is properly dressed for outdoor activities and is prepared for changes in the weather. It is suggested that you send play clothes for your child. It is highly recommended that you label clothing.

In the colder months, the decision will be made daily if the children will be required to wear a winter jacket during outside play. On days when a winter jacket is required children must have one in order to go outside. Please make sure your child is prepared for these times.

P.S.A.C.C. is not responsible for lost items. Please check the school lost and found area for misplaced items.

## **ADMINISTRATION OF MEDICATION**

Children are not permitted to bring medication (prescribed or non-prescribed) to the program to self-administer. Parents are encouraged to arrange for medication to be administered prior to or after program hours whenever possible.

If the child's doctor is asked, prescriptions can often be written to accommodate this. When it is essential that medication be given during program hours, a "Request for Administering Medication" form must be completed by both the parents and the child's physician and submitted to the Program Director or Site Supervisor. All necessary forms must be completed and returned to the program before any medication can be administered.

All medication brought into the program for distribution to a child must be in the original container. The bottle must be prescribed to the individual receiving the medication, and state the correct dosage amount, as we can only administer the dosage indicated on the label. Pelham School Age Child Care cannot distribute outdated medication or medication in an old prescription bottle. Please carefully review the guidelines included with the "Request for Administering of Medication" form.

### **SICK CHILD**

Each child will be observed by staff each day upon arrival of the program and throughout his stay for symptoms of illness which impair or prohibit the child's participation in the regular child care program. This includes, but is not limited to: one episode of vomiting, and oral temperature of 100.4 degrees or higher, diarrhea, sore throat, severe cough, ear ache. When such symptoms are present, child care personnel shall contact the child's parents or emergency contact and inform them of the need to remove the child from the program. Child care personnel shall ensure that an ill child is provided the opportunity to rest or do a quiet activity until he/she is picked up.

### **EXTENDED SICK LEAVE**

If you know that your child will be absent from the program due to illness for more than five (5) consecutive days, you may apply for an Extended Sick Leave. This request is to be submitted immediately, in writing, to the Program Director, and must be accompanied by a written note from the child's doctor stating the nature of the illness and the number of days the child is expected to remain out of the program.

You will be required to pay, in full, the first five (5) consecutive days for the child's absence. Beginning on the sixth consecutive program day of illness and ending on the tenth consecutive program day of illness, you will be required to pay 50% of your regular child care fee to maintain your child's place in the program. If your child returns to the program at any time during this period, you will be required to pay your regular child care fee beginning on the day that the child returns.

If the illness extends beyond the tenth consecutive program day, you will be required to apply for a Leave of Absence for the child (See LEAVE OF ABSENCE Policy).

**Reminder:** P.S.A.C.C. is a non-profit organization; your tuition fee pays for direct operating costs such as staff, snacks, crafts, games, special projects, and office supplies. These provisions are reserved whether your child attends or not.

## **LEAVE OF ABSENCE**

If your child is to be absent from the program for an extended period of time, (i.e. more than ten (10) consecutive days), you may request a Leave of Absence. This request is to be given in advance, in writing, to the Program Director stating when the leave is to begin and when the child is returning to the program.

Tuition for the first two (2) weeks of the absence must be paid in full to maintain your child's place in the program. Your child's place will be reserved for up to an additional four (4) weeks without charge. After six (6) weeks of absence, the child will be withdrawn from the program and placed on a waiting list for re-admission. A further extension may be granted upon request dependent upon space availability with the program, and will require at a minimum another two (2) week's tuition payment in advance. (See "Reminder" in Extended Sick Leave Policy, set forth above.)

Families enrolled in the program are allowed to utilize the leave of absence policy twice during a school year period. Taking a leave of absence from the summer program is not permitted.

## **SCHOOL YEAR VACATION POLICY**

Each family will be allowed five (5) consecutive program days of vacation during the school year program. Tuition will not be charged for this week if a written notice is received at least **two (2) weeks** in advance.

## **BEHAVIOR**

When a child is unable to conduct themselves in an appropriate manner and follow program rules, regulations and/or policies, based on the behavior, the following steps will be taken, although not necessarily in this order.

### **Step 1 Supervisor/Staff Intervention**

- Redirection of negative behavior
- Time away from the situation and/or
- Loss of privileges

If your child receives more than three Behavior Notices, then we will proceed to Step 2.

### **Step 2 Director/Supervisor/Parent Conference**

- A plan of action for correcting misbehavior will be agreed upon. The plan of action should include responsibilities of all parties involved and a timetable for improvement. The child will be brought in at the end of the conference to review the agreed upon plan.

If an agreement cannot be reached the child will be required to leave the program.

If attempts to redirect behavior in Step 2 fail then we will proceed to Step 3.

### **Step 3 Suspension**

- Serious or continuous misbehavior, and/or incidents in which the child is a danger to himself or others will warrant a suspension of 1-5 days.

Examples: Hurting other children (physically or verbally), destruction of program and/or school property (see page 14 for Property Damage policy), disrespect toward staff, continual use of inappropriate language and/or inappropriate gestures and/or continual non-compliance with program rules.

- A Director/Site Supervisor/Parent conference, including an agreed upon plan of action, must take place before the child returns to the program.
- Parents will be responsible for paying, in full, for the day(s) that the child is on suspension.

When efforts to bring about change have been exhausted, parents/guardians and the director will meet to determine the next course of action.

### **Step 4 Termination**

- If the child returns to the program and cannot function appropriately the child will be terminated from the program.
- An instance of serious or negligent misbehavior will result in immediate termination.
- All terminations are reviewed by the Board of Directors at the next regularly scheduled meeting.

## **WEAPONS**

Bringing any weapon of any form is cause for immediate termination from Pelham School Age Child Care. Weapons include but are not limited to, knives, guns, explosives (etc. snaps, fireworks, bottle caps, shock device).

## **ABUSE**

The ultimate reason that all employees work at P.S.A.C.C. is for the care and development of our communities' children. Part of this care is the assurance that the children are not subject to abuse. Under New Hampshire law, "any person having reason to suspect" abuse and/or neglect of a child is required to report to the State. Employees of Pelham School Age Child Care must comply with these requirements.

The New Hampshire Child Care Licensing guidelines require that all employees must complete “Recognizing and Reporting Child Abuse and Neglect” training within 90 days of hire.

Pelham School Age Child Care prohibits private, one-on-one interaction between an employee and child. At least two employees are always present when there is a child in their care. Employees will be present in all areas where children are present.

All P.S.A.C.C. Staff have a responsibility to prevent child abuse and neglect of any children involved in our program.

**Child abuse is defined as anyone eighteen years of age or younger, who has been:**

- Sexually abused; or intentionally physically injured; or
- Psychologically injured so that said child exhibits symptoms of emotional problems generally recognized to result from consistent mistreatment or neglect; or
- Physically injured by other than accidental means; or
- Subjected, by any person, to human trafficking as defined in RSA 633:7; or
- Subjected to an act prohibited by RSA 632-A:10-d.

**Child neglect is defined as a child:**

- Who has been abandoned by his or her parents, guardian, or custodian; or
- Who is without proper parental care or control, subsistence, education as required by law, or other care or control necessary for the child's physical, mental, or emotional health, when it is established that the child's health has suffered or is likely to suffer serious impairment; and the deprivation is not due primarily to the lack of financial means of the parents, guardian, or custodian; or
- Whose parents, guardian or custodian are unable to discharge their responsibilities to and for the child because of incarceration, hospitalization or other physical or mental incapacity;

Provided, that no child who is, in good faith, under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination by a duly accredited practitioner thereof shall, for that reason alone, be considered to be a neglected child under the Child Protection Act.

### **Prevention of abuse and neglect at P.S.A.C.C.**

It is also the responsibility of P.S.A.C.C. to prevent any abuse or neglect that could happen at our program. In order to prevent abuse and neglect at our program the following are done:

- Review the approved and prohibited disciplinary techniques on a yearly basis;
- Brainstorm to help staff figure out ways to deal with disruptive behaviors;
- Review the indicators of abuse and neglect on a yearly basis;
- Conduct a thorough check of the references of new staff;
- Orient new staff using the above policy;
- Supervise new staff on a close and consistent basis;
- Do a background check on all staff;
- Volunteers from organized high school programs are directly supervised by the Staff. P.S.A.C.C. does not utilize other adult volunteers.

### **PARENT GRIEVANCE**

If a parent has a complaint concerning a child's care, this should be discussed with the Site Supervisor and/or Director who will attempt to resolve the situation.

If the complaint remains unresolved, the issue should be addressed in writing to the Program Director who will make every attempt to resolve the situation, and provide a resolution. If unable to do so independently, the Director will bring the issue to the Board of Directors for consideration and resolution, and inform the parent of the Board's decision.

If the parent continues to be dissatisfied, a written complaint may be directed to the Board of Directors. The Board of Directors shall address said complaint at the next scheduled Board meeting and notify the parent, in writing, of the outcome within two (2) weeks following said meeting.

### **PROPERTY DAMAGE**

Parents are liable for damages to school or program property caused by a child who has disregarded the guidelines, rules, regulations and/or policies of the programs and will be required to repair or replace the damaged item. Failure to make payment or replace an item shall result in termination from the program.

## **ZERO TOLERANCE POLICY**

Pelham School Age Child Care has a Zero Tolerance Policy with regard to abuse and or harassment of any form.

### **Including, but not limited to:**

- child to parent
- child to child
- child to P.S.A.C.C staff
- parent to parent
- parent to child
- parent to P.S.A.C.C. staff

**Zero Tolerance** shall be defined as and require the immediate expulsion from the program based on a decision by the Program Director. This decision will be reviewed by the Board of Directors at the next scheduled meeting. Expulsion from the program shall be in writing from the director of the program to the effected party and exercised in a timely manner. All prepaid tuition amounts will be reimbursed by the program on or about the time of expulsion.

## **TERMINATION POLICY**

Any child's enrollment may be terminated from the program if:

- The center cannot meet the physical, mental, or emotional needs of a child
- The child threatens the safety, health and/or well-being of others
