Delays or Closures Due to Inclement Weather

As stated in the parent handbook if school is closed due to inclement weather or other emergencies, the program will not operate.

If school is delayed, the opening of the program will be delayed by the same amount of time that the opening of school is delayed. (Example: if school is delayed 2 hours, instead of opening at 6:30am, we will open at 8:30am). This delay is to allow for time to plow the school parking lot and clear the walkways.

If school is released early due to inclement weather or other emergencies, the program will not operate.

Tuition for the time the program is closed will be credited to your account.

If school is not in session (Example: school vacations, teacher workshops) and it becomes necessary to close the program due to inclement weather or other emergencies, announcements will be made on WMUR-TV and/or a parent email.

If it becomes necessary to close the program after it is already in session due to inclement weather or other emergencies, parents will be notified via email or an alert from the school district.

Please make provisions for your child during these closure times.

Dressing for the Weather

As the weather gets colder we will continue to go outside for recess if the weather allows. Please make sure your child has appropriate clothing for the colder temperature.
