## PSACC Board of Directors

We are seeking parents and members of the community to serve on our board. Regularly scheduled meetings are held once a month, 8 months a year. Normally meetings are held at Pelham Elementary School, they are currently conducted via Zoom. If you would like more information or an application, please speak with Miss Kathleen, the Program Director.

## Summer Camp

We have made the difficult decision not to operate our 2021 summer camp due to the ongoing challenges presented by the COVID-19 pandemic. The health and safety of our children and staff are paramount, with current guidelines and restrictions we would be unable to deliver the same quality program as we have in the past. This decision was made after months of thoughtful planning, discussion and research. It was not made lightly and we understand the impact it will have on our families. We appreciate your continued support.
