## **Early Release & Teacher Workshop Days**

Currently, the program does not have adequate staffing to provide extended care on teacher workshops and early release days. PSACC will be closed on these days through the end of 2022. We will revisit our staffing availability in the new year and provide an update at that time.

Please note, our morning program will operate normally on early release days, the after-school program will be closed.

## **Dressing for the Weather**

As the weather gets colder, we will continue to go outside for recess. Please make sure your child has appropriate clothing for the colder temperatures.

## **PES Gymnasium**

Our use of the gymnasium in after-care will be limited beginning in November. Due to construction at the middle school, sport programs have shifted to the elementary school. The program will have the gym from 3:00-4:00 PM each day. All children will have 30 mins of gym time each day during this time. If there are any activities, games or crafts your child enjoys, please let us know! This change will be in place until the end of March.

## **PSACC Board of Directors**

We are seeking parents and members of the community to serve on our board. Meetings are held once a month, 8 months a year. If you would like more information or an application, please speak with Miss Kathleen.

## **Program Procedures for Inclement Weather**

If school is closed due to inclement weather, remote learning or other emergencies, the program will NOT operate.

When the opening of school is delayed, the opening of the program will be delayed by the same amount of time that the opening of school is delayed. Example: if school is delayed 2 hours, instead of opening at 6:30 AM, we will open at 8:30 AM. In the event of a delayed opening no child is allowed in the program until the delayed opening time.

If school is released early due to inclement weather or other emergencies, the program will NOT operate.

# Pelham School Age Child Care November Newsletter

Tuition for the time the program is closed will be credited towards your next week's tuition.

If school is NOT in session (example: teacher workshops, school vacation week) and it becomes necessary to close the program due to inclement weather or other emergencies, announcements will be made on WMUR-TV (channel 9) and /or parent email.

If it becomes necessary to close the program after the program is already in session due to inclement weather or other emergencies, parents will be notified via email and/or individually by members of the staff.

Tuition for these days will not be pro-rated.

Please make provisions for your children during these closure times.
