Dressing for the Weather

As the weather gets colder, we will continue to go outside for recess. Please make sure your child has appropriate clothing for the colder temperatures.

Program Procedures for Inclement Weather

If school is closed due to inclement weather, remote learning or other emergencies, the program will NOT operate.

When the opening of school is delayed, the opening of the program will be delayed by the same amount of time that the opening of school is delayed. Example: if school is delayed 2 hours, instead of opening at 6:30 AM, we will open at 8:30 AM. In the event of a delayed opening no child is allowed in the program until the delayed opening time.

If school is released early or after school activities are cancelled, due to inclement weather or other emergencies, the program will NOT operate.

Tuition for the time the program is closed will be credited towards your next week's tuition.

If school is NOT in session (example: teacher workshops, school vacation week) and it becomes necessary to close the program due to inclement weather or other emergencies, announcements will be made on WMUR-TV (channel 9) and /or parent email.

Pelham School Age Child Care November Newsletter

If it becomes necessary to close the program after the program is already in session due to inclement weather or other emergencies, parents will be notified via email and/or individually by members of the staff.

Tuition for these days will not be pro-rated.

Please make provisions for your children during these closure times.
