

August 5, 2020

PSACC Families,

We're working towards the reopening of our before and after-school program in conjunction with the start of the school year. In the coming weeks, we'll be providing more detailed information. In the meantime, should you have questions, please reach out to us via email at info@psacc-nh.org or call our office at 635-9733.

Here's some initial information on our opening;

- The program will operate our normal hours of operation for the before-school and after-school program.
- There will be no care on Early Release, Teacher Workshop and Vacation Days.
- We will not be serving breakfast or snack.
- All health and safety policies will align with those of the Pelham School District.

What can you expect?

Our goal is to mail all enrolled families a confirmation packet by Wednesday, August 12th. In this packet you'll find updated policies, procedures, a child information update and a schedule confirmation. If you choose to participate in the program, all of this information must be completed and mailed back to us by the set deadline.

Some things to consider.

Children will be grouped together according to grade.

Groups will be smaller in size; activities will be limited.

We will focus on individualized play within a small group setting, along with socially distanced activities and games.

While in the building, masks will be worn by all staff and children.

What we ask of you.

Talk with your child about the importance of social spacing and proper handwashing.

Help your child become comfortable with wearing a mask.

We all have to work together to make going back-to-school a success!
We appreciate your patience and cooperation as we navigate this uncertain time together.

Be well and stay healthy!
